Knowing your policy benefits can make a huge difference, especially if you are involved in a medical emergency. Before getting insurance, you will find out about what and how much your insurance covers. You can find this information on your insurance provider's website.

Also, stay updated! Make sure you are aware of any changes in your insurance benefits.

Where to Start

Look into finding a doctor that you can go to regularly for your check-ups and illness. Having one doctor who knows about many aspects of your health ensures you get the best care.

If your college has a clinic(诊所), that may be a good place to start. If this isn't a good choice for you, look into nearby clinics in the area. Be careful to check what insurance plans they accept. This is important because health care can be expensive.

58. What should you do before going to a doctor?

You should have your _____ ready.

59. What information can be found on your insurance card?

The insurance provider, _____, and the expiration date.

60. Where can you find the information about what your insurance covers?

On your _____.

61. Why should you always stay updated?

To be aware of _____ in the insurance benefits.

62. Why is it important to check what insurance plans the clinics accept?

Because health care can be _____.
